## AGGRESSIVE CHRIS WINS OVER CHARLIE RENTROP IN HARD BOUT

### Alsation Star, Weakened by Making Weight, Goes Down Before Scraggy Grecian Crack. Chris Wins First Fall With Hammerlock And Head Scissors; Takes Second With Same Hold.

ONE hundred and fifty-eight pounds at a cock for a match is too great a handicap for Charlie Rentrop. So it was learned Tuesday night when Chris Jordan, Grecian crack and champion of the 155-pound wrestling title, won the first fall in 57 minutes with a head scissor and hammerlock, and took the second in 25 minutes with an identical hold. Rentrop's efforts to come down to the stipulated 155 pounds were weakened by his apparently that he did not possess the strength and speed of the Alsation star, who won from Jordan only a short time ago.

Here is a New One. Jordan's victory brings about a peculiar situation inasmuch as he has won two of the four matches between the two men but in each case Rentrop has been the victor.

One contest was a draw while the other was in favor of Charlie. This, it would seem, eliminates all doubt but that while Rentrop is the best of the two at catch wrestling, being stronger and faster, Jordan holds the belt at 155 pounds. He is at his best around 154 and was in perfect condition for his meeting with Charlie Tuesday night.

Once during the match Rentrop obtained his famous Japanese scissors, and to good effect on Byron and Jordan in previous matches. He used it to the advantage of his opponent in the preliminary rounds in which he defeated Matty Matsuda and Gus Pappas. Rentrop failed to protect his head sufficiently in his eagerness to pin the shoulders of his rival to the mat and Jordan obtained a head scissor which not only broke the arm scissors held by Rentrop, but resulted in a weakening of Charlie's strength.

Then the aggressive Rentrop assumed the offensive in the first 15 minutes of the match. He obtained a head scissor and showed considerable speed while Jordan hung back and tried to break the hold. Jordan obtained his first head scissor when exactly 10 minutes of the contest had elapsed, but he was unable to hold it when Rentrop retaliated with a toe hold. When 20 minutes gone both wrestlers were trying hard and were apparently equal in strength, speed and action in their efforts to end the contest quickly. At 25 minutes Jordan broke the head scissor and obtained a punishing head scissor. Rentrop broke the hold and clamped on a head scissor himself, which he held for about two minutes.

From that time on it seemed as if Rentrop was tiring. The Alsation crack who was on the road prior to the weighing in time did not have the splendid reserve which he used to great advantage in the previous match. Jordan took the offensive at the end of 35 minutes and in 35 minutes had Rentrop in a dangerous position with an arm scissor and body hold. Referee Spider Flaw found it necessary to get down and push his head under Charlie's shoulders once or twice so near as the fall Rentrop finally broke the hold only to fall into a head scissor and hammerlock which Chris hung on grimly.

Arm Flawed Rentrop. Rentrop's arm was behind his back and remained in this position making it difficult for him to rise until Jordan took the fall exactly 57 minutes. Rentrop made a valiant attempt to come back after the fall but it was apparent that his weight making efforts had so weakened him that he could not rise. Within four minutes Jordan broke the head scissor and hammerlock and held it until referee Flaw signalled the second and final fall. It was announced from the ring that Jordan had failed to swing the beam at 155 pounds with his clothes on at the weighing in Tuesday afternoon while Rentrop also failed to swing the beam in his fighting trunks. Rentrop's efforts to make weight in a striking illustration of the gameness of the big fellow who did his best in order to keep his word with the fans. Challenges were read at the ring from John Berg, Gus Pappas and others and were filed with the matchmaker. Spider Flaw officiated as referee and performed in his usual capable manner. "Bucky" Bouckhout handled the first preliminary battle.

Additional success marked the appearance of the big fellow who Mike and "Pewee" in the ring as the two heavy brothers each scored victories over their rival opponents in the preliminary bouts to the headliner contest.

Beat Sailor Greer. Mike Greer over Sailor Greer in the semi-final when it had but 40 seconds to go to the salt water wringer, finding it impossible to break a head scissor held by the little swarthy sinner clamped upon him.

Great showed endurance by going as long as he did as Vasequez was the aggressor during the greater part of the contest and inflicted punishment by some severe head and body holds. In strength the "Belted" was not found wanting, however, and he managed to hold his own on many occasions. He was unable to hold it when the referee was called to the aid of the "Belted" who was in a position to break a head scissor held by the big end of the purse.

The bout was for one fall 25 minutes and 20 seconds. "Pewee" Vasequez won twice over little Jimenez in two straight falls in the first preliminary. The latter showed a good deal of pep and speed but was unable to hold it when the referee was called to the aid of the "Belted" who was in a position to break a head scissor held by the big end of the purse.

## REDS TAKE ONE FROM NEW YORK

### Cincinnati Team Defeats 1919 Rivals For National League Flag.

Cincinnati, O., May 12.—The world's champion Reds won their first game of the season from an eastern club before a large crowd Tuesday by knocking both Boston and Douglas out of the box. In the game the first National League pennant ever won by a Cincinnati team was raised with ceremony. The flag was pulled to the top of the pole in center field by major Galvin of Cincinnati and Douglas, Boston and McGraw, New York.

The latter is still in secret training at the Y. M. C. A., but his manager, Joe B. Green, was bringing him out of the next day or two and show the fans just what he has. Some of the bugs do not favor the idea of secret training inasmuch as they feel that a slight of the scrappers before hand is justly deserved.

Tuesday night's feature in the training camps was the action between the two teams. The latter, a hunky-waller, who has carried his name in local fight history by many a hard won battle, is at his best in the ring. He is a champion, is putting in some hard work. It will make for better social relationships within the church and bring out of the church many young men who are attending church and Sunday school, but who are not behind them and urged them to attend.

Then, again, the young fellows like to feel that the leaders in the church are taking an interest in their every day interests and play. A meeting for the purpose of organizing a church baseball league will be held in the Y. M. C. A. physical office tonight at 8 o'clock and it is hoped that every church will be represented.

## 'Treat'Em Rough', Payo Slogan Believes In Hard Training

### INDUSTRIOUSLY hammering away at his spruce partner, King Payo, El Paso's southwestern feather champion, is putting in some hard work. He is a champion, is putting in some hard work. He is a champion, is putting in some hard work.

Payo has assembled a large staff of shock assimilators and each is getting his just share of the work of the little scrapper. Battling Shamro, Dutch Crozier, Freddie Lewis and Red Hogan are all on his program for a few rounds each night. As he intends to leave nothing undone that will contribute to victory when he meets Hawkins. The latter is still in secret training at the Y. M. C. A., but his manager, Joe B.
